

XBP Europe Approved as a Confirmation of Payee (CoP) Aggregator by Pay.UK

August 13, 2024

LONDON and SANTA MONICA, Calif., Aug. 13, 2024 (GLOBE NEWSWIRE) -- XBP Europe Holdings, Inc. ("XBP Europe" or the "Company") (NASDAQ: XBP and XBPEW), announced that Pay.UK has approved its application to become a Confirmation of Payee ("CoP") Aggregator.

This approval confirms XBP Europe's status as a leading provider of CoP services. The Company will be able to join the service provided by Pay.UK and pass those benefits to its clients. As a CoP aggregator, XBP Europe simplifies implementation for payment service providers (PSPs). By streamlining the connection process and reducing the need for multiple contracts, it enables faster and broader participation in the CoP ecosystem, fostering greater collaboration and accelerating the industry's adoption of this vital security measure.

XBP Europe's solution allows organisations to implement CoP services in days, rather than months. This is of particular interest to financial institutions who must implement CoP on time in order to remain compliant. Under the Payment Systems Regulation, firms and building societies must implement CoP as a live service by 31 October 2024 in the UK.

An AI powered solution

Leveraging its experience of serving over 400 European financial institutions and vast expertise in critical payments infrastructure, XBP Europe delivers a best-in-class CoP service that meets the latest Pay.UK and industry security standards. XBP Europe's account name verification service is used by hundreds of banks across Europe and benefits from three decades of service excellence and innovation. Additionally, XBP Europe is, in fact, the only CoP provider that is actively engaged in the Request to Pay system.

XBP Europe's CoP offering verifies payee accounts and handles complex name matches with exceptional accuracy to minimise false positives and negatives. It uses industry-leading AI to ensure a frictionless payment experience.
